Overall Score

Level 4
90 points minimum
Outstanding achievement of all learning outcomes. Demonstrates strong technical competence, critical insight, and professional judgement, including responsible and reflective use of Generative AI.

Level 3
75 points minimum
Very good achievement of learning outcomes. Demonstrates solid implementation, analysis, and reflection, with minor weaknesses.

Level 2
50 points minimum
Satisfactory achievement of learning outcomes. Core requirements met, though depth, clarity, or criticality may be limited.

Level 1
40 points minimum
Minimum acceptable standard. Significant weaknesses present, but learning outcomes are marginally achieved.

New Level
0 points minimum
Learning outcomes not met. Work is incomplete, incorrect, or lacks sufficient understanding and reflection.
